2027 National Multicultural Festival Cultural Showcase Application Form Preview

The 2027 National Multicultural Festival Grants includes 2 categories of funding:

1. Cultural Showcase
2. Community Group/s

This application is to be completed for the Cultural Showcase category only.

A Cultural Showcase brings together curated selection of performers, artists, or creative works. These may come from one or more cultures, countries, or communities, or be presented around an identified artistic or cultural theme (e.g. poetry, music, fashion, or contemporary practice). Together, these elements form a cohesive series of presentations delivered on stage or within a dedicated programmed space.

A Cultural Showcase Coordinator is an individual who oversees the planning and delivery of a Cultural Showcase, including consulting with, scheduling, and managing performers, working with volunteers and the festival team to coordinate the presentation.

A Cultural Showcase Coordinator will have valuable relationships and established connections within the communities they represent. They should possess a combination of community-oriented values, strong interpersonal and organisational skills, and the ability to collaborate with diverse groups of performers and stakeholders.

Grant funding is available to contribute to professional artist fees, as well as props, stage decorations or theming.

Cultural Showcases will use their grant funding to source and pay for professional groups and staging costs.

If the proposed program also includes performances from non-professionals and community organisations, and those performers require funding support, they must apply independently for a Festival Grant under the Community Group/s category.

Applications for this category are available to a **maximum of \$10,000.**
